EU DECLARATION OF CONFORMITY

Hereby we guarantee that Sony DADC, Czech Republic s.r.o. Dobranska 545, 33209 Stenovice, Czech Republic., is marketing this device LS10X under the brand name LucidSound and complies with the legal requirements and the requirements of Directive 2014/53/EU. This notification is listed under: lucidsound.com/EUDOC.

WEEE (Waste Electrical and Electronic Equipment Directive

 If you eventually want to dispose of this product at a later time, please observe the following instructions: Electronic equipment should not be disposed of together with household waste.

— Please recycle the device if the appropriate recycling ways are available to you. Please contact your local authority or retailer and ask them for advice on recycling.

RoHS

This product has been certified as RoHS compliant in accordance with Directive 2011/65/CE.

Warranty

United States

LucidSound, Inc. warrants this product to be free from defects in materials and workmanship for the warranty period. This non-transferable, 1-year limited warranty is only to you, the first end-user purchaser. If a defect covered by this warranty occurs AND you provide proof of purchase, LucidSound, Inc., at its option, will repair or replace the product at no charge (excluding shipping to LucidSound).

The LucidSound, Inc., 1-year limited warranty is available to customers in the United States. Your sole and exclusive remedy is repair or replacement of your LucidSound product. In no event shall LucidSound's liability exceed the original purchase price of the product. This warranty does not apply to: (a) normal wear and tear or abusive use; (b) industrial, professional or commercial use; (c) if the product has been tampered with or modified. This non-transferable warranty is only valid in the region/country in which the headset was originally purchased.

To receive warranty service, please contact us at: lucidsound.com

Europe

LucidSound, Inc. 2-year limited warranty is available to customers in Europe. LucidSound, Inc. warrants this product to be free from defects in materials and workmanship for the warranty period. This non-transferable, 2-year limited warranty is only to you, the first end-user purchaser. If a defect covered by this warranty occurs AND you provide proof of purchase, LucidSound, Inc., at its option, will repair or replace the product at no charge (excluding shipping to LucidSound).

Your sole and exclusive remedy is repair or replacement of your LucidSound product. In no event shall LucidSound's liability exceed the original purchase price of the product. This warranty does not apply to: (a) normal wear and tear or abusive use; (b) industrial, professional or commercial use; (c) if the product has been tampered with or modified. This non-transferable warranty is only valid in the region/country in which the headset was originally purchased.

To receive warranty service, please contact us at: lucidsound.com

Australia

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a 1 year replacement warranty in which you are entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

What you must do:

If a defect has appeared within 90 days from the date of purchase, the product may be returned to the retailer for a replacement.

If a defect has appeared after 90 days from the date of purchase, you must initiate a repair by following the online repair process at www.lucidsound.com.au.

Once all details are completed, you will receive a return authorisation number. Then, label and ship your LucidSound headset – including the return authorisation (RA) number, freight prepaid, to LucidSound's authorised repair centre.

LucidSound
c/o Tecworks International Pty Ltd
Unit 1 / 12 Tollis Place
Seven Hills NSW 2141

Please ensure the return authorisation (RA) number is prominently displayed on the outside of your packaging. The cost incurred to return the product to the retailer or to the authorised repair centre as part of a Warranty claim are your responsibility.

What we will do:

During the Warranty Period, we will, at our option, repair or replace the product or any defective parts. We will also bear the reasonable costs of standard return shipping. If this cannot be done, then we will refund the purchase price to you.
